COTTON THIEF IS
BEFORE THE JUDGE

Cesarito Soto, a Mexican cotton picker on the G. R. Finch ranch, was before Judge Austin yesterday in the local court on a charge of cotton stealing and was fined \$10. Cotton growers generally have been bothered with characters of this sort. It is easily possible for a picker to stow away a gunny sack full of cotton that will net him \$10 when presented at the gin, and it has been a more difficult task for the grower to find him guilty of the theft, for all cotton looks alike.

The Mexican before Judge Austin yesterday pleaded not guilty but under trial the court found him guilty as charged and he was given his choice of \$10 or ten days.

TO VISIT IN PHOENIX

W. S. Hampton and daughter, after a brief visit at the I. S. Hampton ranch south of Tempe, have left for Phoenix and following a short stay in that city will leave for Los Angeles.

ON THE COAST

Miss Amanda Zeller, of the Normal kindergarten department, is passing the Thanksgiving holidays in Los Angeles. While there she will attend a meeting of kindergarten instructors and she will remain on the coast through the coming week visiting various kindergarten departments and looking into other features of the work tending to a betterment of the local department.

"A GUTTER MAGDALENE"

The filming of the Salvation Army scenes in "A Gutter Magdalene," which will be seen at the opera house tonight with the brilliant and distinguished Lasky star, Fannie Ward, in the title role, was done in one of the slum barracks of that charitable organization. The types of the destitute people shown on the screen were not especially selected for that purpose, but were played by those people dependent upon the Salvation Army for the greater part of their support. The broad line scenes were taken early one morning when the thousands of hungry and homeless came for their morning rations.

UNION SERVICE

Rev. Edgar Lloyd Smith, of Southern California, one of the Sunday school experts of the American Christian Missionary Society, will address the people of Tempe at a union meeting of the church and Sunday school workers this afternoon at 2 o'clock in the Methodist church. Every person in Tempe interested in the religious work among the young people should be at this session.

BIG JEROME COPPER COMPANY

Is now being organized by a strong Arizona mining syndicate. The property consists of approximately thirty-two full mining claims in the Jerome district, with a total holding of approximately 640 acres. The property lies adjacent to the PITTSBURG JEROME and other very well known and prominent properties. The capitalization of the company will be \$2,500,000.00.

THE UNDERWRITING SYNDICATE GUARANTEES that the property will be deeded free and clear of debt to the company, as they stand ready to take up the balance of any allotment that is not fully subscribed. The Board of Directors will be made of strong, well known mining men of Arizona and Los Angeles. MR. HARRY R. ANDREWS, MANAGING EDITOR OF THE LOS ANGELES TIMES, has accepted the vice presidency of the new company. This subscription to this underwriting is certainly a substantial one. Mr. Andrews will represent the Southern California interest in this BIG COPPER COMPANY.

AGGRESSIVE DEVELOPMENT CAMPAIGN TO START IMMEDIATELY

Engineers have already passed on the property and are now working on a complete report. Just as quickly as this can be completed a "strong development campaign" will be started and pushed with an energy characteristic of the operators who are behind this new company. Just as soon as the permit is granted by the Arizona State Corporation Commission application will be made to list the treasury shares on the Los Angeles, San Francisco, New York and Boston Stock Exchanges. The company's main office will be at Jerome and its depository will be the BANK OF JEROME. All pool stock will be deposited with the Bank of Jerome or some other bank.

The treasury shares will be listed at not less than 25c, and REMEMBER—THIS ALLOTMENT OF POOL RIGHTS IS OFFERED NOW AT 10 CENTS.

As evidence of the heavy drain the dairy ones in Arizona are making on the California papers, one purchaser here yesterday received his order in a five gallon tin can and in the mail came a letter from the shipper advising him that large quantities containing were either obtainable in Los Angeles or San Francisco. The recent latest orders are to continue deliveries until the government signs the prohibition declaring the prohibition amendment to be in effect. After that date shipments

Mesa News Notes

ALMA 8TH GRADE
IN PENITENTIARY

school was taken to the state penitentiary at Florence Friday, and what is more they liked it. Six auto carrying forty people started from Mesa at 8 a. m., made the drive without mishap, and arrived at Florence in time for lunch. Now that lunch was over, a movie was shown. Through the kindness of the prison authorities the party was served luncheon in the dining room. Furthermore in order that the young people might realize the loneliness of the affair, no extra trills were allowed, save and except that knives and forks were furnished them. The regular inmates are permitted nothing but a spoon. The stinks were plentiful in quantity and well cooked, consisting of meat and potatoes, cranberry sauce and bread. Butter was not in evidence. Tea furnished the drink and the laugh was on one of the pupils when he helped himself plentifully to the sugar and found that he had salted his tea. Returning the car of Bert Hunsaker broke down and had to be towed in, but it was all in a day's work. Alma Davis, principal of the school, speaks in high praise of the courtesy shown by Capt. Windsor and other officials of the prison. He is grateful also to

the public spirited citizens who came to his assistance with their cars. In addition to the auto of the principal, there were those of Hugh Luna, W. T. Barker, H. G. Saylor, Bert Hunsaker, and Henry Fox.

AN APPRECIATED TREAT

Rev. Francis Hoy and Mrs. Hoy were made the recipients of a delightful Thanksgiving treat at the hands of friends and members of St. Mark's church. Mrs. Hoy was not at home this summer and had failed to place her regular summer stock of canned fruits, etc. Several boxes of these winter necessities, with a quantity of fresh fruits, grapes and other, were unloaded at their door, and smiling friends bid them a glad Thanksgiving time. This little act of thoughtfulness was a fitting tribute to the public spirited minister who is noted for his unselfish labor among the poor of the city.

PARENT TEACHERS MEETING

At the meeting of the Parent Teachers' Association held Friday night at the High School, it was decided to have a meeting on the afternoon of December 26, at which time Mrs. Darling will be here giving his three lectures on civic questions. It is the aim of the association to have Mr. Darling talk before it on that occasion.

BALDWIN TO LEAVE BANK

Mesa people will learn with surprise and regret that C. A. Baldwin, associated for twelve years with the Mesa City Bank has withdrawn and will hereafter be connected with the Mesa Milling Co. Mr. Baldwin's decision was entirely voluntary and is prompted by a desire for a more active outside vocation. During his long stay in the bank he has been constantly on duty at his desk and doubtless has grown a little restless.

W. E. Walters, chief teller, will succeed Mr. Baldwin and Mr. L. H. Van Spatter will take Mr. Walters' place at the window. The two latter gentlemen from their long connection with the institution fit in easily and the work will go on just as usual save that it will look a little lonesome for a time.

TONIGHT AT MAJESTIC

The offering for tonight at the Majestic is "The Scarlet Oath," a play of intrigue in Russia with Gail Kane in the title role. There also will be another installment of the "Iron Claw."

"GOD'S COUNTRY AND THE WOMAN"

This really big production has been secured for Mesa. "God's Country and the Woman" is one of the really great dramas of the movie stage. It is a story of the far Canadian north-west where men live hard and shoot true. Wonderful snow scenes and real Siberian dog teams are seen. Those who have read of this attraction elsewhere have urged the Majestic management to secure it and he has succeeded in doing so. The date is Tuesday night.
